DETAILED ACTION

This is a response to the Applicants' amendment submitted on June 10th, 2004. In virtue of this amendment, claims 4 and 5 are cancelled; and thus, claims 1-3 and 6-7 are now presented in the instant application.

Allowable Subject Matter

1. Claims 1-3 and 6-7 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

Prior art fails to disclose or fairly suggest a lamp actuating facility wherein each of the regulating devices further includes a first resistor having two ends, a second resistor, a second transistor having a base coupled to the collector of the first transistor, and having a collector and an emitter coupled to the ends of the first resistor, and then grounded via the second resistor, in combination with the remaining claimed limitations as called for in independent claim 1 (claims 2-3 and 6-7 are allowed upon the allowability of claim 1 since they are dependent on claim 1).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Examiner's Remarks on Proposed Drawings Corrections

3. The proposed drawings corrections including Figures 1 and 5 submitted by Applicants on June 10th, 2004 have been approved. Therefore, corrected drawings including all the figures must be submitted as indicated in the accompanied Notice of Allowability.
